The **NUS extra** Team

A few tips for the discount hungry NUS extra cardholder...

- **NUS extra** discounts and discount redemption methods are subject to change across the year – make sure you check the [NUS extra website](#) and login regularly to see the latest deals!
- Unique codes are frequently changed to maximize security for our partners and our cardholders
- Many online discounts ask students to enter their unique **NUS extra** card in some instances, your card number will be locked into your account with that retailer to ensure that you can enjoy your discount every time you spend with them
- The Amazon discount is accessed via a unique code for each individual cardholder; the new Amazon discount will be available from 1st September with full details on how to redeem this offer.
- If you'd like to enjoy thousands of discounts in over 120 countries world wide, why not upgrade your NUS extra card to include [ISIC](#) (the International Student Identity card) for just £1.99!
 - Please note discounts marked '([ISIC](#))' are only available for **NUS extra ISIC** cardholders
